Application requirements

The following application requirements apply to an application under Clause 43.01, in addition to those specified elsewhere in the planning scheme and must accompany an application, as appropriate, to the satisfaction of the responsible authority:

Demolition and subdivision of 'significant', 'contributory' and 'non-contributory' places

- An application for a new building or works to accompany a demolition or subdivision application. The demolition or removal of any heritage place or part of a heritage place will not normally be approved until a replacement building or development is approved. Subdivision will not normally be approved prior to approval of any buildings or buildings envelopes for any resulting lots.
- A Demolition Management Plan and/or Conservation Management Plan.

Conservation and alterations

- Evidence of original details and finishes when they are proposed to be reinstated.

New buildings and additions

- For upper-storey additions:
  - A sight line diagram (see Clause 15.03-1L, Figure 1).
  - Oblique view diagrams (see Clause 15.03-1L, Figures 2-3).
- For new buildings, a streetscape elevation.

Archaeological sites

- A report prepared by an archaeologist where sites are known to contain archaeological material or have been identified as likely to contain archaeological material.
