45.06 DEVELOPMENT CONTRIBUTIONS PLAN OVERLAY

31/07/2018
VC148

Shown on the planning scheme map as **DCPO** with a number.

Purpose

To implement the Municipal Planning Strategy and the Planning Policy Framework.

To identify areas which require the preparation of a development contributions plan for the purpose of levying contributions for the provision of works, services and facilities before development can commence.

45.06-1 Development contributions plan

19/01/2006
VC37

A permit must not be granted to subdivide land, construct a building or construct or carry out works until a development contributions plan has been incorporated into this scheme.

This does not apply to the construction of a building, the construction or carrying out of works or a subdivision specifically excluded by a schedule to this overlay.

A permit granted must:

- Be consistent with the provisions of the relevant development contributions plan.
- Include any conditions required to give effect to any contributions or levies imposed, conditions or requirements set out in the relevant schedule to this overlay.

45.06-2 Preparation of a development contributions plan

19/01/2006
VC37

The development contributions plan may consist of plans or other documents and may, with the agreement of the planning authority, be prepared and implemented in stages.

The development contributions plan must:

- Specify the area to which the plan applies.
- Set out the works, services and facilities to be funded through the plan, including the staging of the provision of those works, services and facilities.
- Relate the need for the works, services or facilities to the proposed development of land in the area.
- Specify the estimated costs of each of the works, services and facilities.
- Specify the proportion of the total estimated costs of the works, services and facilities which is to be funded by a development infrastructure levy or community infrastructure levy or both.
- Specify the land in the area and the types of development in respect of which a levy is payable and the method for determining the levy payable in respect of any development of land.
- Provide for the procedures for the collection of a development infrastructure levy in respect to any development for which a permit is not required.

The development contributions plan may:

- Exempt certain land or certain types of development from payment of a development infrastructure levy or community infrastructure levy or both.
- Provide for different rates or amounts of levy to be payable in respect of different types of development of land or different parts of the area.
