C256gben**SCHEDULE TO CLAUSE 43.01 HERITAGE OVERLAY****Application requirements**

The following application requirements apply to an application under Clause 43.01, in addition to those specified elsewhere in the planning scheme and must accompany an application, as appropriate, to the satisfaction of the responsible authority:

- A written report that explains how the application addresses the provisions of Clause 15.03-1L and the justification for any variations from this clause.
- Plans and elevations (A3 size), fully scaled or dimensioned including:
 - Elevations and floor plans of existing conditions, the extent of any proposed demolition, and any alterations and additions or new buildings.
 - A site plan showing the existing and proposed development including outbuildings, fences, significant trees or vegetation, car parking, new cross overs, on-site parking space locations and any other relevant features.
 - A streetscape elevation which shows the existing streetscape and how the application sits within it.
 - A landscape plan.
- Details and samples of materials, finishes and colours.
- A photo montage of the streetscape.
- If demolition is proposed:
 - A report undertaken by a heritage practitioner that includes an assessment of the building's significance and a structural assessment that demonstrates that the building is beyond repair.
 - An application for the new development.
- If relocation or removal is proposed:
 - A thorough history of the building to be relocated by a heritage practitioner.
 - A statement on whether the building can be physically relocated and whether the current and proposed location contribute to the significance of the place; and
 - A detailed description of the site chosen for relocation and whether the site, if appropriate, will not diminish the significance of the heritage place.
- An application to develop land in areas where there is potential for Aboriginal archaeological sites to occur will be required to be accompanied by a report from a suitably qualified archaeologist that demonstrates that the potential impacts of the development on Aboriginal cultural heritage values have been addressed.
