Decision guidelines

The following decision guidelines apply to an application for a permit under Clause 32.08, in addition to those specified in Clause 32.08 and elsewhere in the scheme which must be considered, as appropriate, by the responsible authority:

- Whether a loss of amenity would result in varying the requirements of part 3.0 of this schedule.
- Whether the development provides for an appropriate visual transition to the Neighbourhood Residential Zone.
- The amenity impact on surrounding land uses.

- The layout and appearance of areas set aside for car parking, access and egress, loading and unloading and the location of any proposed off street car parking.
