Application requirements

The following application requirements apply to an application under Clause 43.01, in addition to those specified elsewhere in the planning scheme and must accompany an application, as appropriate, to the satisfaction of the responsible authority:

- A Conservation Management Plan for heritage buildings and places where adaptation or change of use are proposed.
- A written justification as to why demolition or any proposed additions to a dry stone wall is required.
- Where any demolition of a dry stone wall is proposed (partial or full):
  - An assessment of the condition of the dry stone wall by a suitably qualified professional.
  - A plan for the proposed re-use or storage of any removed stone.
  - Photographs or other suitable records of the dry stone wall.
- Where partial demolition of a dry stone wall is proposed:
  - The extent of removal required, including the percentage of the demolished area in relation to the whole structure.
  - Details of how the section of dry stone wall will be reconstructed (where applicable).
- Where demolition of a dry stone wall section to create an opening is proposed, detail on the new wall end construction.
- Where any alterations to a dry stone wall are proposed (added to, reconstructed or conserved):
  - Sections of the dry stone wall where it is proposed to be altered.
  - Details of who will be carrying out the proposed works.
- Where conservation or reconstruction is proposed for a dry stone wall, details of how the style of works is in keeping with the structure and form of the original or adjoining lengths of wall.
- Where additions to a dry stone wall are proposed, detail on the proposed additions to demonstrate that they will not disturb its structure.
- Where subdivision or development is proposed:
  - A feature survey of any dry stone wall within the proposed development.
  - A Dry Stone Wall Management Plan that includes the following:
    - Photographs (or suitable records) of the dry stone wall.
    - Recommendations for repair and / or reconstruction.
    - Conservation works which will retain the cultural significance of the dry stone wall.

– A plan showing the proposed location of any landscaping, footpaths, and structures which may impact the dry stone wall.
