VC253**Use for a dwelling or a small second dwelling**

A lot used for a dwelling or small second dwelling must meet the following requirements:

- Each dwelling or small second dwelling must be connected to reticulated sewerage, if available. If reticulated sewerage is not available, all wastewater from each dwelling must be treated and retained within the lot in accordance with the requirements of the Environment Protection Regulations under the *Environment Protection Act 2017* for an on-site wastewater management system.
- Each dwelling or small second dwelling must be connected to a reticulated potable water supply or have an alternative potable water supply, with appropriate storage capacity.
- Each dwelling or small second dwelling must be connected to a reticulated electricity supply or have an alternative energy supply.

32.05-427/03/2017
VC110**Use for industry and warehouse****Amenity of the neighbourhood**

The use of land for an industry or warehouse must not adversely affect the amenity of the neighbourhood, including through:

- The transport of materials or goods to or from the land.
- The appearance of any stored materials or goods.
- Traffic generated by the use.
- Emissions from the land.

Subdivision**Permit requirement**

A permit is required to subdivide land.

A permit must not be granted which would allow a separate lot to be created for land containing a small second dwelling.

Clause 56 requirement

An application to subdivide land, other than an application to subdivide land into lots each containing an existing dwelling or car parking space, must meet the requirements of Clause 56 and:

- Must meet all of the objectives included in the clauses specified in the following table.
- Should meet all of the standards included in the clauses specified in the following table.

Class of subdivision	Objectives and standards to be met
16 or more lots	Clauses 56.02-1, 56.03-5, 56.04-2 to 56.04-5, 56.05-1, 56.05-2, 56.06-2, 56.06-4, 56.06-5, 56.06-7, 56.06-8 and 56.07-1 to 56.09-4.
3 – 15 lots	Clauses 56.03-5 (only if the land is in the Neighbourhood Character Overlay), 56.04-2 to 56.04-5, 56.05-1, 56.06-2, 56.06-4, 56.06-5, 56.06-7 and 56.06-8 to 56.09-4.
2 lots	Clauses 56.03-5 (only if the land is in the Neighbourhood Character Overlay), 56.04-2, 56.04-5, 56.06-8 and 56.07-4.

Each lot must be provided with reticulated sewerage, if available. If reticulated sewerage is not available, the application must be accompanied by:

- In the absence of reticulated sewerage, include a Land Capability Assessment on the risks to human health and the environment of an on-site wastewater management system constructed, installed or altered on the lot in accordance with the Environment Protection Regulations under the *Environment Protection Act 2017*.
- A plan which shows a building envelope and effluent disposal area for each lot.

VicSmart applications

Subject to Clause 71.06, an application under this clause for a development specified in Column 1 is a class of VicSmart application and must be assessed against the provision specified in Column 2.

Class of application	Provision
Subdivide land to realign the common boundary between two lots where: ▪ The area of either lot is reduced by less than 15 percent. ▪ The general direction of the common boundary does not change.	Clause 59.01
Subdivide land into lots each containing an existing building or car parking space where: ▪ The buildings or car parking spaces have been constructed in accordance with the provisions of this scheme or a permit issued under this scheme.	Clause 59.02

Class of application	Provision
An occupancy permit or a certificate of final inspection has been issued under the Building Regulations in relation to the buildings within five years prior to the application for a permit for subdivision.	
Subdivide land into two lots if:	Clause 59.02
- The construction of a building or the construction or carrying out of works on the land: - Has been approved under this scheme or by a permit issued under this scheme and the permit has not expired. - Has started lawfully. - The subdivision does not create a vacant lot.	
Subdivide land into two lots if:	Clause 59.02
- A permit has been issued under a provision of a residential zone to construct up to two dwellings on the land and the permit has not expired. - Each lot will contain either: - one existing dwelling; or - one dwelling permitted to be constructed in accordance with the permit.	
Subdivide land into two lots for residential development if:	Clause 59.11
- The subdivision creates at least one vacant lot. - The land does not contain native vegetation if it has an area of 0.4 hectares or more. - The land is not located in an Environmental Audit Overlay, Neighbourhood Character Overlay or an area that is a designated bushfire prone area as determined under section 192A of the <i>Building Act 1993</i>. - The land is connected to reticulated sewerage.

Construction and extension of one dwelling on a lot

Permit requirement

A permit is required to construct or extend one dwelling on a lot less than 300 square metres.

A permit is required to construct or extend a front fence within 3 metres of a street if the fence is associated with one dwelling on a lot less than 300 square metres and the fence exceeds the maximum height specified in Clause 54.02-7.

A development must meet the requirements of Clause 54.

No permit required

No permit is required to:

- Construct or carry out works normal to a dwelling.
- Construct or extend an out-building (other than a garage or carport) on a lot provided the gross floor area of the out-building does not exceed 10 square metres and the maximum building height is not more than 3 metres above ground level.
- Make structural changes to a dwelling provided the size of the dwelling is not increased or the number of dwellings is not increased.

VicSmart applications

Subject to Clause 71.06, an application under this clause for a development specified in Column 1 is a class of VicSmart application and must be assessed against the provision specified in Column 2.

Class of application	Provision
Construct or extend a dwelling on a lot less than 300 square metres if the development meets the following standards of Clause 54: ▪ clause 54.02-1 Street setback. ▪ clause 54.02-2 Building height. ▪ clause 54.02-3 Side and rear setbacks. ▪ clause 54.02-4 Walls on boundaries. ▪ clause 54.02-5 Site coverage ▪ clause 54.02-6 Tree canopy. ▪ clause 54.02-7 Front fences. ▪ clause 54.04-1 Daylight to existing windows. ▪ clause 54.04-2 Existing north-facing windows. ▪ clause 54.04-3 Overshadowing secluded open space. ▪ clause 54.04-4 Overlooking. ▪ clause 54.05-2 Overshadowing domestic solar energy systems. If a schedule to the zone specifies a requirement of a standard different from a requirement set out in the Clause 54 standard, the requirement in the schedule to the zone applies and must be met.	Clause 54
Construct or extend a front fence within 3 metres of a street if the fence is associated with one dwelling on a lot less than 300 square metres.	Clause 59.03

Transitional provisions

Clauses 32.05-6, 54 and 59.14 of this planning scheme, as in force immediately before the commencement of Amendment VC282, continue to apply to:

- An application for a planning permit lodged before that date.
- An application for an amendment of a permit under section 72 of the Act, if the original permit application was lodged before that date.

Clause 54 of this planning scheme, as in force immediately before the commencement of Amendment VC315, continues to apply to:

- An application for a planning permit lodged before that date.
- An application for an amendment of a permit under section 72 of the Act, if the original permit application was lodged before that date.

Transitional provisions

Clauses 32.05-11, 54 and 59.04 of this planning scheme, as in force immediately before the commencement of Amendment VC282, continue to apply to:

- An application for a planning permit lodged before that date.
- An application for an amendment of a permit under section 72 of the Act, if the original permit application was lodged before that date.

32.05-1214/12/2023
VC253**Maximum building height requirement for a dwelling, small second dwelling or residential building**

A building must not be constructed for use as a dwelling, small second dwelling or a residential building that exceeds the maximum building height specified in a schedule to this zone.

If no maximum building height is specified in a schedule to this zone, the requirement set out in the relevant standard of Clause 54 and Clause 55 applies.

A building may exceed the maximum building height specified in a schedule to this zone if:

- It replaces an immediately pre-existing building and the new building does not exceed the building height of the pre-existing building.
- There are existing buildings on both abutting allotments that face the same street and the new building does not exceed the building height of the lower of the existing buildings on the abutting allotments.
- It is on a corner lot abutted by lots with existing buildings and the new building does not exceed the building height of the lower of the existing buildings on the abutting allotments.
- It is constructed pursuant to a valid building permit that was in effect prior to the introduction of this provision.

An extension to an existing building may exceed the maximum building height specified in a schedule to this zone if it does not exceed the building height of the existing building.

A building may exceed the maximum building height by up to 1 metre if the slope of the natural ground level, measured at any cross section of the site of the building wider than 8 metres, is greater than 2.5 degrees.

The maximum building height requirement in a schedule to this zone applies whether or not a planning permit is required for the construction of a building.

Building height if land is subject to inundation

If the land is in a Special Building Overlay, Land Subject to Inundation Overlay or is land liable to inundation the maximum building height specified in the zone or schedule to the zone is the vertical distance from the minimum floor level determined by the relevant drainage authority or floodplain management authority to the roof or parapet at any point.

VC300**Decision guidelines**

Before deciding on an application to use land or construct a building or construct or carry out works, in addition to the decision guidelines in clause 65, the responsible authority must consider, as appropriate:

General

- The Municipal Planning Strategy and the Planning Policy Framework.
- The objectives set out in a schedule to this zone.
- The protection and enhancement of the character of the town and surrounding area including the retention of vegetation.
- The availability and provision of utility services, including sewerage, water, drainage, electricity and telecommunications.
- In the absence of reticulated sewerage, a Land Capability Assessment on the risks to human health and the environment of an on-site wastewater management system constructed, installed or altered on the lot in accordance with the requirements of the Environment Protection Regulations under the *Environment Protection Act 2017*.
- The design, height, setback and appearance of the proposed buildings and works including provision for solar access.
- The need for a verandah along the front or side of commercial buildings to provide shelter for pedestrians.
- Provision of car and bicycle parking and loading bay facilities and landscaping.
- The effect that existing uses on adjoining or nearby land may have on the proposed use.
- The scale and intensity of the use and development.
- The safety, efficiency and amenity effects of traffic to be generated by the proposal.

- The impact of overshadowing on existing rooftop solar energy systems on dwellings on adjoining lots in a General Residential Zone, Housing Choice and Transport Zone, Mixed Use Zone, Neighbourhood Residential Zone, Residential Growth Zone or Township Zone.
- Any other decision guidelines specified in a schedule to this zone.

Use for industry and warehouse

Before deciding on an application to use land for an industry or warehouse, in addition to the decision guidelines in clause 65, the responsible authority must consider, as appropriate:

- The Municipal Planning Strategy and the Planning Policy Framework.
- The effect that existing uses on adjoining or nearby land may have on the proposed use.
- The design of buildings, including provision for solar access.
- The availability and provision of utility services.
- The effect of traffic to be generated by the use.
- The interim use of those parts of the land not required for the proposed use.
- Any other decision guidelines specified in a schedule to this zone.

Subdivision

Before deciding on an application, in addition to the decision guidelines in clause 65, the responsible authority must consider, as appropriate:

- The Municipal Planning Strategy and the Planning Policy Framework.
- The pattern of subdivision and its effect on the spacing of buildings.
- For subdivision of land for residential development, the objectives and standards of clause 56.
- Any other decision guidelines specified in a schedule to this zone.
